Is my Order Taxable?

Blue Diamond is required by law to collect sales tax in those states where we maintain an office or business presence. If your order is shipping to one of the following states, sales tax will be charged unless you provide a valid exemption certificate:

Missouri

Georgia

Kentucky

For items shipped to other states, it is the customer's responsibility to determine whether they are required to remit, directly to the state, any applicable "use" tax. You should consult your tax advisor for further information.
